How it works

STEP 1

Pay your $500 deposit

✓ It's credited to your work when you move forward.

STEP 2

Connect your accounts

✓ Link your bank and cards with Plaid, and add us to QuickBooks if you use it.

STEP 3

Send your previous tax returns

✓ Can't find them? We'll get them from the IRS.

STEP 4

Review it together

✓ We get on a call, walk through what we found, and give you a firm price.

If you decide not to move forward, the deposit covers the review and isn't refunded.
